

Sioux Falls VA Health Care System

PGY-1 Pharmacy Residency

JOIN US FOR RESIDENCY TRAINING

The Sioux Falls VA Health Care System PGY-1 Pharmacy Residency is designed to develop practitioners with a high level of skills required to manage patient care as an integral member of an interdisciplinary team.

Residents will participate in established disease management clinics including: anticoagulation, diabetes, hypertension, dyslipidemia, erectile dysfunction, tobacco cessation and thyroid disorders. Residents will have learning experiences in the following areas: ambulatory care, internal medicine, mental health, long-term care and management/pharmacoeconomics. In addition, residents will complete a research project and a service commitment. Teaching opportunities are also available with SDSU College of Pharmacy.

Applicants interested in applying for the program are required to submit materials by **January 15, 2012**.
